

## SECURED

## A Majority of Consents

## From Property Owners Along Route.

To have, or not to have a double track street car line on its main street is a subject now agitating the citizens of Massillon, and they have not yet arrived at a conclusion universally accepted. The N. O. T. company, since property owners withdrew their consent, making it impossible to enter the city over North st., the route first selected, has made a proposition to the Canton & Massillon, that the N. O. T. will lay a track in Main st., beside that now in use, for the benefit of both companies. This would mean a double track for both railways, but the objectors claim they do not want a double track in Main st.

The route, as now planned by the N. O. T. Co., is to enter the city over Front st., continue to Main, in Main to Erie, in Erie to Tremont, and in Tremont to Main, forming a loop. A resolution to grant this privilege has been published, and it is believed the ordinance granting the privilege finally will be passed by Council Monday evening.

Speaking of the matter Saturday, Manager Currie, of the N. O. T. Co., said to a Democrat reporter: "We have secured consents from a majority of property owners along the line proposed, and believe the ordinance will be passed. The Canton & Massillon Co. seems favorable to accepting our proposition."

## THE LATEST.

Hale and Coats have just purchased the Richards homestead, consisting of six acres of the most beautiful land on West Hill. It is bounded by Merriam st. on the west, by Aqueduct st. on the east and by Ely st. on the south and joins General Charles Dick's twelve acre suburban property. It is the purpose of these gentlemen to divide this property into twenty-four lots, making 1/4 of an acre to each lot, and to place the same upon the market at very low prices to home-seekers. Inasmuch as this property is covered with the choicest fruits and is as much as the Honorable J. Park Alexander is deeply interested in the matter it has been decided to christen the property "Fruitland Park," by which name it will in the future be known. Except on Merriam st., the price of these lots will not exceed \$300, and very much the same inducements will be offered as were offered by the owners of Suncrest. First choice of lots may be obtained by making a small deposit.

The fullest information concerning this property may be had by calling at the office of Hale & Coates in the Everett building.

## GOOD-BYE

## To Mr. French and His Plans.

It looks as if President French, of the Richmond & Mahoning and Chicago Short Line Railway companies was to be left to work out his own salvation, as the most prominent members of his companies have gone into another company which knows not French.

It was incorporated at Columbus, Saturday, for \$125,000, under the name Barborton, Akron & Eastern R. R. Crough, E. C. Hurd, B. W. Robinson, H. B. Manton, G. R. Hill, Elmer Turner, W. W. Pope, E. H. Gibbs, H. H. Gibbs and L. C. Miles.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CLENEY & Co., Toledo, O. At a reunion of the Clark family, at Doylestown, several days ago, the absence of Alfred Clark, a soldier in the Philippines, was made conspicuous by the fact that he was the only member of the family not present. A letter told the story of his death in the hospital July 13, during a fit of vomiting. He was taken to the hospital July 12.

The young man was aged 23 years. He was a son of Mr. and Mrs. John Clark, at Doylestown. Two of his brothers, Frank and Harry, are employed in Akron.
